## WHY CHOOSE US

As top 10 disperse dyes and reactive dyes manufacturers in China, Tiankun Chem is resolute in providing the most competitive dyestuff for textile dyestuff partners, our core strength lies in below parts.

### 1. Standard Dyestuff Production

Two dyestuff factories bases with annual capacity 29500T accords with GB/T 19001-2016/ISO 9001:2015 assure consistent quality dyestuff...

### 3. Rich Exporting Experience

Tiankun Dyestuff are widely used by over 40 countries nationwide, wide market shares prove our quality and price advantages. End-Partners are world famous brand like H&M, Uniqlo...

### 2. Prompt and Professional Service

A group of highly qualified sales team serve every client 7\*24 hours on-line service, our principle is to deliver the utmost quality and service...

### 4. Research & Development

R&D are able to customize the samples from clients with all first class lab equipments and technicals within the shortest time...
